Calhoun Students a Fright to See

FORT CALHOUN High School students are scaring the population out of their band uniforms.

That's the goal of the second annual Jaycees-high school haunted house in the community. Manned by 27 high school students and 13 guides, it ends a successful Halloween season Friday night.

Proceeds are split by the Jaycees and the students who will use the money for band uniforms. Chairman Larry Halford said the project raised about \$3,000 last year and is expected to do better this year.
