Jail again h a u n t e d

Screams may once again be heard as Pottawattamie County's Historic Squirrel Cage Jail becomes a "haunted jail" Oct. 22. Sponsored by the Council Bluffs Jaycees, JayceeEttes and the Historical Society of Pottawattamie County, the haunted jail will be open for 10 days..

The theme this year is "The Monster Zoo" and monsters painted by community groups will be featured. Last October between 4,000 and 5,000 people paid the \$1 admission to go through the haunted jail, said Jaycee Mike Davis. — Nonpareil photo.
